CONSENT ORDER

This matter was opened to the New Jersey State Board of Ophthalmic Dispensers and Ophthalmic Technicians (the "Board") upon review of an inspection report from the Division of Consumer Affairs, Enforcement Bureau which alleged that respondent, Hyong Sok Yang aided and abetted the unlicensed practice of ophthalmic dispensing at OPTICA, located at 1200 Morris Turnpike, Suite D229, Short Hills, that the premise did not have a colmoscope nor a sign

stating "No Lab on Premises" and he failed to wear an identification tag with his license number and level of licensure.

Respondent appeared pro se before the Board on November 18, 2009 and testified that he currently works at OPTICA, located OPTICA, located at 1200 Morris Turnpike, Suite D229, Short Hills, New Jersey. Respondent began working at the OPTICA store in the Short Hills Mall during September 2009. Respondent neither admits nor denies that he was aware that unlicensed individuals gave eyewear to customers at both stores but asserted that he did not permit these individuals to dispense eyewear when he was present. Respondent admitted that when the inspectors visited the OPTICA store at the Short Hills Mall on September 15, 2009 there was no sign at the establishment stating that there is "no laboratory on premises," but asserted that immediately after the inspection a sign was placed at the premises stating that information. Respondent admitted the store did not have a colmoscope on September 15, 2009 and that at the time of the inspection he was not wearing an identification tag with his license number and licensure level. Respondent testified that he had previously read the statutes and regulations.

Having reviewed the entire record, including the inspection report, patient records and respondent's testimony, the Board found that respondent aided and abetted the unlicensed practice of ophthalmic dispensing, in violation of N.J.S.A. 45:1-21(n), practiced ophthalmic dispensing in a premise without required

equipment, in violation of N.J.A.C. 13:33-3.6(a)3, without a sign stating "no laboratory on premises," in violation of N.J.A.C. 13:33-3.6(b) and without an identification tag bearing his license number and level of licensure, in violation of N.J.A.C. 13:33-5.3.

It appearing that the parties desire to resolve this matter without recourse to formal proceedings, and respondent waiving any right to a hearing and for good cause shown,

IT IS ON THIS 25th DAY OF May, 2010

HEREBY ORDERED AND AGREED THAT:

1.
